Another Franchise!

We are so pleased to announce the opening of another Concierge Home Services franchise, in **Orleans**.

Sarah Valeny previously ran a cleaning business, and chose Concierge because she loves our client-centred approach and full menu of services. We are happy to have her join our franchise team.

If you are in Orleans, (west of Tenth Line) or Blackburn Hamlet, call Sarah at 613-424-4762, or email her by visiting per page on our website.

Going Somewhere?

Call ahead to book your pet sitting or house sitting services if you plan to be away from home this fall & winter. Cold weather means more things can go wrong while you are gone. Check with your insurance for the frequency of homechecks required by your policy, so that you can be fully covered while you are away.

Big Changes to our Website

Recent visitors to our website will notice many updates and changes. Check out our new landing page, updated photos of our management staff and franchisees (just in case you wanted to know what we look like!) and an exciting new location feature. We now have a map-based location page which allows you to easily see if there is a Concierge Home Services office near you.

Reasons to Carpet Clean

Carpet manufacturers recommend that you professionally clean your carpet every 12 – 18 months. Thorough, proper cleaning techniques by a fully trained technician isn't cheap, but will extend the life of your carpet, and enhance the beauty and value of your home. Book your service with us for IICRC certified technicians (Institute for Inspection, Cleaning & Restoration).

Visit the News & Media page on our website to listen to our appearance on CBC Radio talking about cleaning green with frugal environmental friendly products.

Our Clients Say...

"We were very happy with the service. Our housesitter was very diligent – our neighbours noticed her out in the backyard filling up our birdfeeder, just as we had asked. We are so impressed! Next time we go away we will have no worries whatsoever about having Concierge Home Services take care of our house." - Marta
